Anything But Ordinary . . .

Friends. As one walks down the hall or gazes into a class before the tardy bell rings, it's hard not to notice the special friendships that are being shared. One can almost see that closeness of these friends: The way they talk to each other or the silence between them. A friend is someone who will share laughter and tears, listen to thoughts, and understand the feelings. A friend is a very special person, and special friendships like ours last forever.

Catch the wave . . . c-c-c-coke! Old coke, new coke, the wave seems to change; but around here everyone still seems to enjoy the original Coca-Cola. Although Coke has made the biggest splash, another wave appears to be catching on — a simple wave of the hand. This wave is easy to catch onto, just throw up your hand and instantly you've set off a chain-reaction of waves.

Smiles. Expressions let people know how you feel, and nothing is better than a smile. A smile is only a small thing that can brighten the darkest of days. You can say something with a smile, without really saying anything at all. A smile is an easy thing to give away to those who need one, and as you can see there are plenty around OHS to be given freely.

Alabama vs. Auburn. WAR EAGLE! ROLL TIDE! There are many dedicated fans to these two teams, and those fans showed their true colors on a day we set aside as Alabama/ Auburn day. The day was truly anything but ordinary as students came to school in high spirits and painted faces.They each anticipated the coming of the Iron Bowl with cut downs and jokes, but as Alabama/Auburn day came to a close, with a final ROLL TIDE! WAR EAGLE!, the different colors could not hide the friendships that still remained.

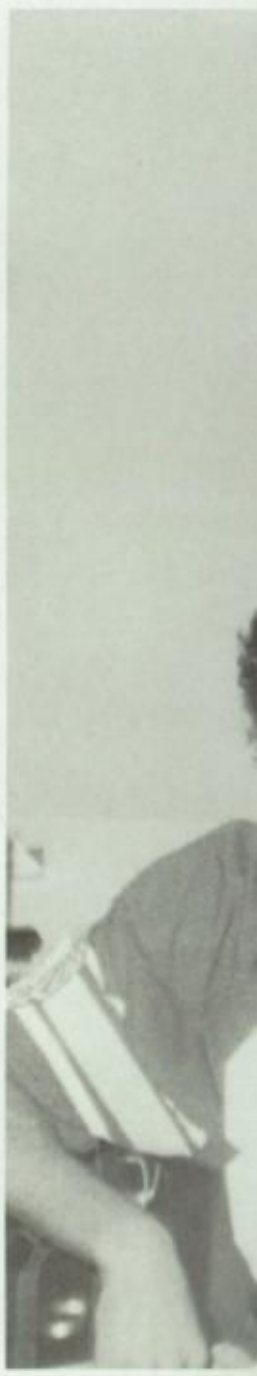
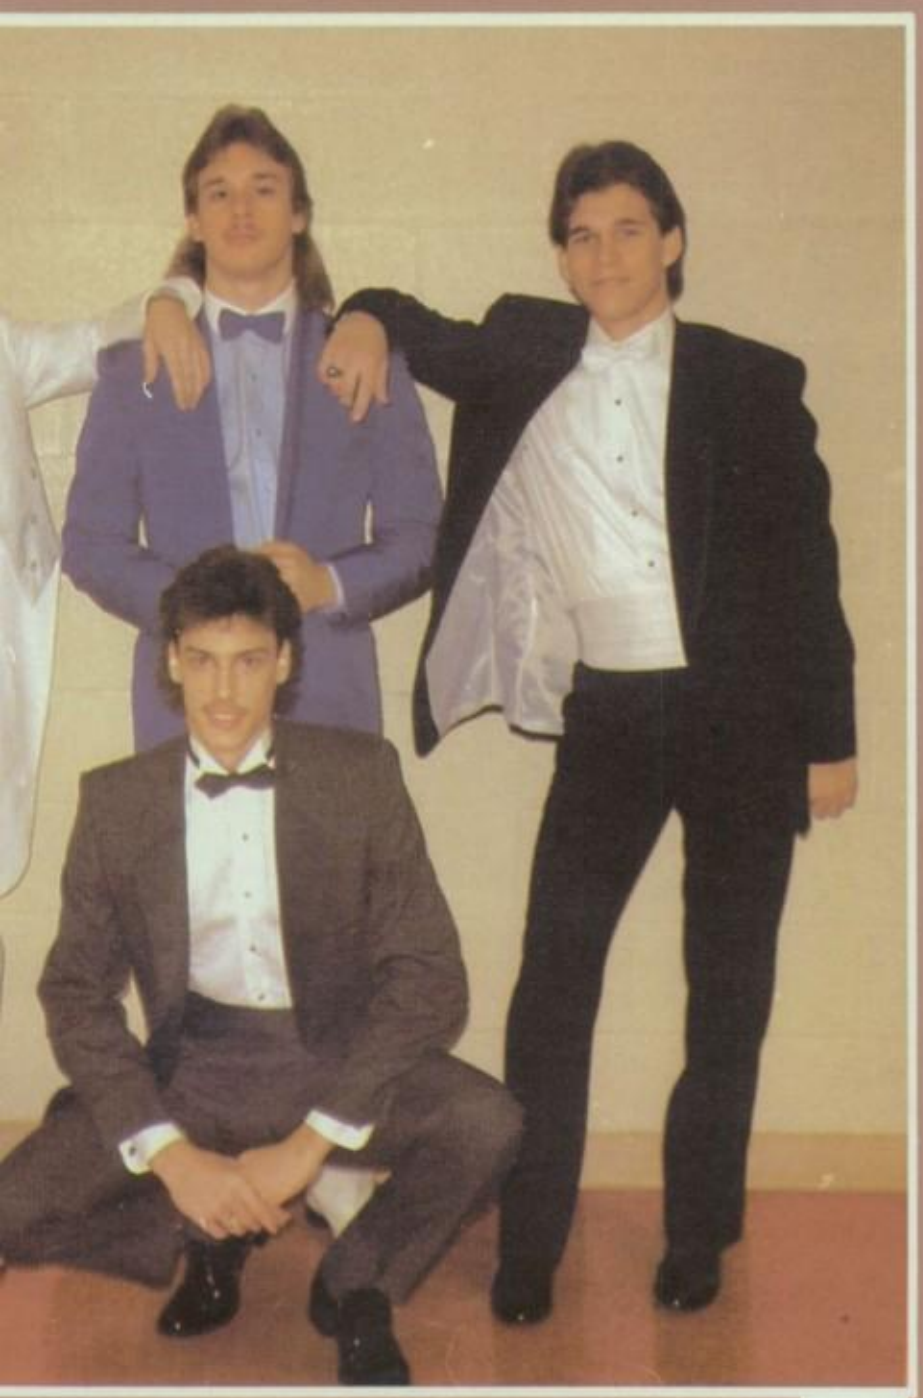
TIDE

Some days just aren't the same . . . This is one of those days!! Did you ever have a day that just didn't go the way it was planned? When everything went wrong, you just wanted to do something to release some anxiety — you pulled your hair, dressed in disguise or even imagined shooting someone! Weird things can happen when no one is looking, but only few get caught in the act. These days bring out a different side of people, a side that we did not know existed. Sometimes it's hard, but somehow we manage to get through these days — days that just aren't ordinary days.



Fads and Fashions. The clothes you wear say a lot about what kind of person you are. Some people wouldn't be caught dead in something that wasn't in style; others seem not to really care. There are many fads that come and go: jams, matching clothes, and boys in mini-skirts. Formal wear, though, is a fashion. As long as there are dances, proms, and weddings, formal wear will always be around. No matter what you wear, fads or fashions, your clothes will have an effect on you.



Pride. We've . . . got pride . . . inside . . . got pride . . . inside. We the students of Ohatchee have PRIDE and we're not afraid to show it. From the band to the football players to the fans we let our true colors shine. It seems that each year the Seniors take "the lead" in showing off our "Creekbank" Pride; passing it down — keeping the tradition alive. We know that this is an undying tradition and we know "that our strong band shall ne're be broken, it shall never die. For surpassing words unspoken, sealed by friendships tie."

ANNUAL STAFF

EXTRAORDINARY is an understatement for the 1987 WARRIOR annual staff. They did the annual on an IBM computer, despite the fact that the computer was "ornery, cranky, moody, unpredictable, and slow." Even though the computer was sometimes "slow," the staff was anything but slow. They traveled from the Ohatchee railroad crossing to the banks of the Coosa River to get pictures for your annual. They worked every day during the school year. While everyone else was enjoying semester break at the end of school, they were completing an "ANYTHING BUT ORDINARY" annual for you, hoping to capture precious memories of the 1987 school year.

Melissa Feemster, editor, was a leader who could have the staff members working when they came in the door.

Rhonda O'Dell, assistant editor, was another leader who was always there to take up the slack.

Candie Medlock, copy editor, was another senior leader who always came through with most of the articles in the annual.

Cheryl Daugherty, Kevin Dover, and Bruce Lott were the other members of the staff. They were always ready to do what needed to be done. We couldn't have done the annual without them.

Take a bow, annual staff, you were EXTRAORDINARY!

The Future Homemakers of America's purpose is to make our homes, our communities, our nation and our world a happier place in which to live. We should strive to promote a growing appreciation of the joys and satisfaction of homemaking, to encourage democracy in home and community life, and to promote international good will.

The Ohatchee Chapter has promoted the idea of FHA this year. Some of the projects included adopting the kindergarten and giving them parties during the year. Also, the club donated $50 for the chairs to be placed in the school gym. The club would like to thank Mrs. Boozer and all members who helped make FHA an anything but ordinary club.

The Ohatchee chapter of FBLA had an "anything but ordinary" year. FBLA sponsored many projects which helped both the school and the community. The adopt-a-grandparent program was put into effect and turned out to be a rewarding experience for both members and their "special" grandparent. A type-a-thon was held to raise money and the annual blood drive was very successful. The Miss OHS pageant was a wonderful night in which many girls participated.

This year FBLA had its 30th anniversary. Charter members from 1957 were invited along with the first sponsor, Mrs. Deerman. All state officers and local presidents were asked to come and help celebrate the thirty years of FBLA with class.

PARLIAMENTARY PROCEDURE

Back: Treasurer-K. Dover, Sentinel-S. McDill, President-T. Hurst, Secretary-J. Poole. Front: Vice-President-P. Martin, Reporter-B. Lott.

The judging teams did very well in the county competition, with the Dairy, Livestock, and Forestry Teams taking first places and the Land Judging Team placing second. They competed at the district level; however, the only team to place there was the Parliamentary Procedure Team, which placed first. Members were Rusty Reaves, Marty Reaves, Terry Pruitt, and Mark Mitchell.

The annual Father-Son Banquet was held May 22 with Ted Hurst, president, presiding. FFA awards were presented to the following: ,Jason Curry-Work Experience;Kip Reaves-Beef Production; Scott Williamson-Public Speaking;Tim Higgins-Greenhand; and Pat Martin-Star Farmer. Kim Gates was recognized as the FFA Sweetheart. Mark Saxon, a former FFA member, was inducted as an honorary member.

The senior members presented Mr. Morris with a plaque to show their appreciation for the effort that has made FFA the success that it is now.

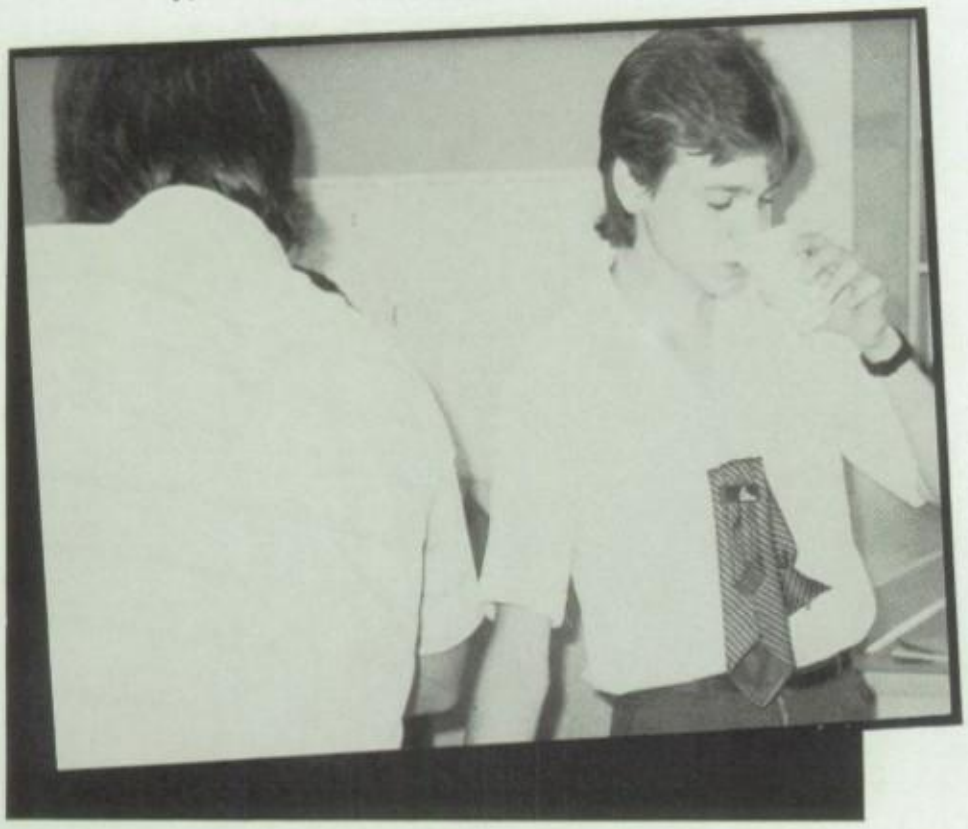
A STRONG SENIOR BETA CLUB

President-Tamara McIntosh, Vice-President-Melissa Feemster, Secretary-Carol Lackey, Treasurer-John Pruitt.

The 1986-87 school year has been a successful one for the Senior Beta Club, under the guidance of a new sponsor, Miss Gatlin. It has sponsored a number of "Teacher Appreciation Days" — refreshments were placed in the teacher's lounge. Members also serve as ushers and usherettes at Baccalaureate and Graduation in honor of all seniors.

The Beta Club challenges all students to get involved in activities and place an importance on scholastic achievement. Better grades can mean a better future.



JUNIOR BETA CLUB SHOWS APPRECIATION

The Junior Beta Club is represented by students with outstanding scholastic achievement and respectable character. This year in Junior Beta Club, members have helped sponsor several projects. Among these were án elementary honors recognition to award students for all A, or A & B averages. Junior Beta Club has also had several Teacher Appreciation Days to show teachers our thanks. This year has been productive for the club and members have worked hard.

STUDENT COUNCIL HAS A GREAT YEAR

Back row: M. Abernathy-Treasurer; T. McIntosh-Secretary; J. Pruitt-President
Front row: C. Tucker-2nd Vice-President; R. Boyd-lst Vice-President.

The Student Council has worked hard on many large and small projects during the 1986-87 year. In the fall of 1986, the Student Council hosted the homecoming ceremonies.

In the winter during the holiday season, Student Council sponsored the annual White Christmas Program. The students, teachers and administration came together as one and worked hard to bring in food for the needy and toys for the unfortunate children. This project was a big success. The families who received our gifts were very thankful and appreciative.

During the spring, Student Council boosted the "Send a Mouse to College." This fund was to raise money for the National Cancer Society. Also during the spring the annual talent show was held. The talent show is always a big project for the Student Council and is always a success, as it was this year.

The OHS chapter of Students Against Driving Drunk, which began last year, has had a successful year. With 73 members, SADD has sponsored drug and alcohol awareness programs for the school and community. Two of this year's most successful SADD programs were the elementary poster contest and the annual "Free By Choice" program, in which prison inmates spoke about their personal experiences concerning the consequences of drug and alcohol abuse. Other Sadd activities included the annual Fashion Show and a state-wide rally at Jacksonville State University.
1987 was a successful year, and OHS anticipates great things from SADD in the years to come. We hope that the OHS SADD chapter will continue to be "anything but ordinary."

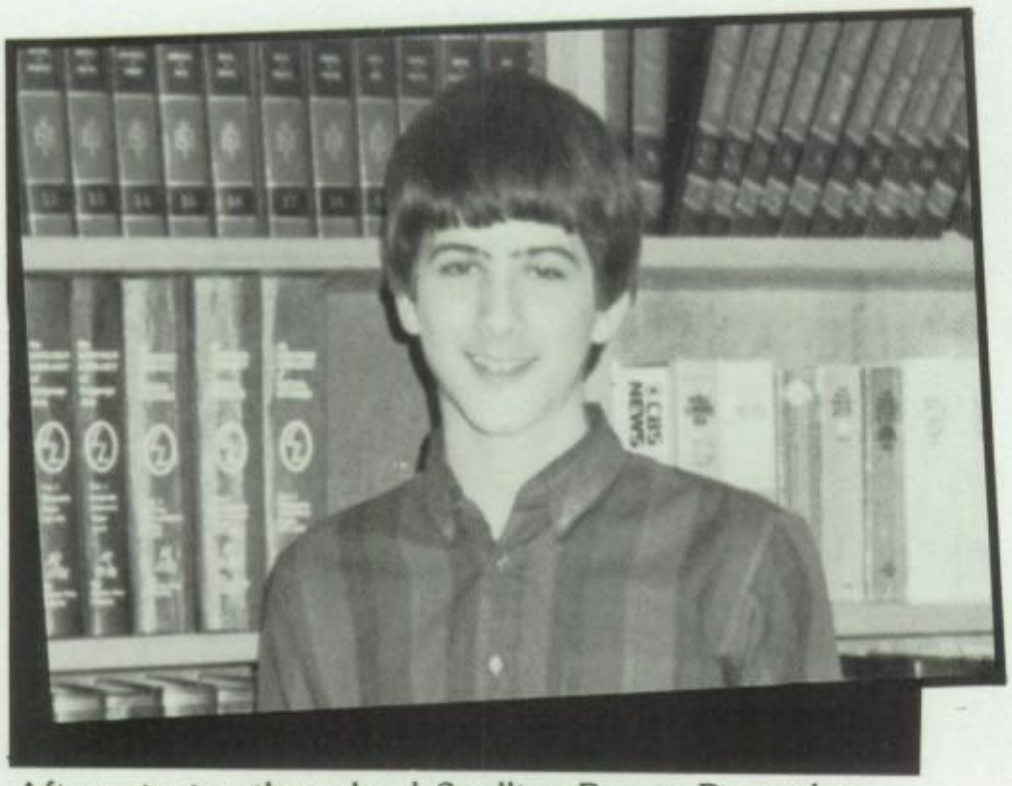
Spelling Bee Winners



After winning the school Spelling Bee in December, Lee went to the Calhoun County Spelling Bee on February 28. There he won first place and $35 by spelling "aggrandizement" and "acronym" correctly. On April 18, he competed with 55 other spellers from all across Alabama in what was the longest State Spelling Bee ever, lasting about 5 1/2 hours. He spelled nine words in all and came in 12th place.
In studying for these contests, Lee spent many hours looking up words and their pronunciations, saying the words over to himself, and writing almost every word several times. We admire Lee's determination and congratulate him on his accomplishment.

HOMECOMING '86

Homecoming week was filled with excitement! Each day was a different "spirit" day, and the students came to school dressed up, one day closer to the day they were waiting on. Then Friday finally arrived and the air filled with energy as the Indians emerged from the locker room — the grand finale of Homecoming week had begun. The time ticked slowly away and the half-time show progressed onto the field, as everyone's attention turned to the 1986 Homecoming Court. With a drum-roll and a silent hush a voice announced, "The 1986 Homecoming Queen is-Miss Melonie McCombs." Afterwards a Homecoming dance was held to honor the new Queen and her court.

Season of Close Games

This year's team was under the direction of new head coach, Jim Lowery. This past summer, the team attended a football camp for the first time. Through a week of late nights and early practices, the determined ones survived and came home enthusiastic about football season. The team faced many changes and disappointments, but they never quit. They lost alot of close games, but they continued to show good sportmanship. As the old cliche' goes, "You can't win them all."

The 86-87 varsity cheerleaders had a long but exciting season. They started the year by attending the summer clinic at JSU. At the end of the week, they were one of four squads chosen to compete for grand champions. This seemed to be the incentive to begin a fun and challenging season for the cheerleaders. The hard work paid off. Good Job!

1987 was a "very satisfying year" for the varsity basketball team, says Coach Tim MacTaggert, "We did better than I had expected."

"We had alot of tough games, but the kids played well." The team ended the season with a record of 13-7.

"There were both good times and bad times through the year. I think our biggest disappointment was Weaver's beating us three times by a total of 6 points. The biggest surprise, for me, was winning the Helfin tournament; and the biggest wins came over Lineville and Piedmont."

Coach Mac wants to wish the senior boys the best of luck — "Keep the attitudes you had during the season, they will help you in the future." To the returning players,"They will have a challenge, remember we have not made it to state playoffs yet."

This year's Jr. High team had a good season, with a final record of 10-11. Coach Winn was very proud of his boys.

The team placed 2nd in the County tournament, and Doug Hanks was named All Calhoun County Tournament player.

There is alot of talent and potential in this young Jr. High Team and the future should hold many winning seasons.

The 1987 Ohatchee Baseball team had a great season! Winning the Moody Invitational Tournament early in the season set the pace for what ended as a 19-5 record-setting season.

Stacey Roberts was named to the Calhoun County All-Star team, with team-mate Scott McDill as alternate. Roberts, McDill, and Rob Jennings were named by the Anniston Star as All-County. Honorable Mention included Rusty Reaves, Joey Zurchin, Phillip Sanderson, and Clay Bowen. Ohatchee's pitching staff was also ranked #1 by the Anniston Star.

Roberts and McDill were named MVP's; McDill was team captain; and Rusty Reaves received the 100% award.

It had been several years since Ohatchee had a girls' softball team, but at the request of the girls, softball resurfaced as a "Creekbank" sport.

At the beginning of the season, the girls participated in a Round Robin Tournament at Donoho. Defeating Gaylesville and Sandrock and losing to Donoho, the team was awarded 2nd place where Rhonda O'Dell and Tawana Peters were chosen all tournament players. The Lady Indians played well for beginners, learning and becoming better as the season progressed. The girls chose MVP's who were Beverly Williams for offense and Hollie Hamilton for defense. These awards were given at the Athletic Banquet; and both girls along with the others, with the exception of the three seniors, will be returning to the team next year.

This year's track did very well at the sectionals in Cullman. Kendra Poole placed 1st in the 800 and 4th in the 400, which qualified her for state in both events. Kendra also qualified in the 440 relay with Connie Picket, Sheena Weygand, and Pam Carlisle. Connie also placed 1st in the 100 and 1st in the 200. Rossie Brewter was the only guy to qualify, placing 1st in the shotput at sectionals and 4th at state competition. Congratulations to the track team and good luck next year.

We started in the summer with clinic: jumping, rolling, hitting. When school started the practices kept coming: jumping, hitting, serving. When game time came, we were ready, but we didn't always come out with a victory. Jump, set, spike didn't always work, but we always walked away with our heads held high because we had tried. We had done our best and we had fun.

The OHS Band received many honors this year due to their hard work and determination. The band practiced many summer afternoons to perfect their show so that the first halftime would be a highlight of what was to come. The hard work paid off for the band because at the three marching competitions they attended, many trophies were awarded for their performance. After football season, the band did not stop working. They concentrated then on concert season where they competed at District and gave an excellent performance at State. The band's year turned out to be very successful and will add to the memories of the OHS Band as being "anything but ordinary."

LAST WILL AND TESTAMENT

I, Ed Allen, hereby leave to Chuck, the ability to play football; to Craig and Kevin,the B.C.,to carry on the good times; and for the rest I leave nothing, 'cause what I have left I need.

I, Renda Allen, do hereby leave Serina and Patsy the memories of lunch and break. To Natalie, Eric, and Jason, I leave my love in hopes they have as much fun through the rest of their school as I did my last.

JUNIORS

Juniors . . . a big word that goes hand-in-hand with class rings, big mouths, and smiling faces. The junior year brings excitement — planning the prom, staying out later, and "hanging out with the gang." During the junior year, a light appears. A light that brings thoughts of graduation into reach. We're almost there . . . one more year until we earn the title of seniors that we have waited for so long.

SOPHOMORES

Our sophomore year went by in a whirlwind of classes, homework, and books. Tenth grade — one year closer to being juniors and then seniors.And even though graduation was still two years away, it seemed closer than it ever had . . . more real than it ever had. For the first time we were really asking ourselves about the future. We realized that there was more to life than just high school; and we spent most of our time just trying to accept the responsibilities of growing up.

"What a feeling it was to finally have a title. We were actually called Freshmen! We were the kings of Jr. High, and we thought we were really bad." It was a great feeling to have a title. It brought a sense of pride, a sense of accomplishment. Freshmen hold the crown of Jr. High Kings for a year, then pass it on as they move up to the bottom of Sr. High.

EIGHTH

We are no longer the youngest. We laugh the same and our friends are almost the same. Most things do not change in a year, only that we are further along in our journey. There is still far to climb, but we will make it. In four years, when we are older, our smiles may grow tired; our friendships may too; we may even shed a tear, but we will make it.

Friends make the world go 'round.

We are short, and they run over us. We are small, and they yell at us. We are smart, and they call us stupid. They continuously put us down, but someday we will be the seniors, and we will feel the same way. When we become the "boss," we will have the last laugh. Although seventh grade may be hard and trying,
somehow we've managed to make it through.
We kept up our friendships old and new.
Our good times have been many,
our bad times have been few.
From kindergarten to sixth grade,
we traveled through school,
only to find out that high school is really nothing new.

ELEMENTARY FACULTY

There are people who will try to help you, if you want their help; try to teach you, if you want to learn; try to show you things, if you will open your eyes and see. They are extraordinary people, for they are people who care. They never get the respect they deserve, nor the thanks for all that they try to do. They are entitled to more, much more, than they are given. So with a very special "thanks," we dedicate the 1987 Warrior to the faculty of OHS.
